Learning Lessons from the Past, Considerations for the Future

SOCIETY FOR TERRORISM RESEARCH
16TH ANNUAL INTERNATIONAL CONFERENCE
SEPTEMBER 4TH AND 5TH, 2024
UNIVERSITY OF CENTRAL OKLAHOMA

The Society for Terrorism Research (STR), University of Central Oklahoma and Coventry University are delighted to announce that the 16th Annual International Conference will be held on September 4th and 5th, 2024 at the University of Central Oklahoma. Many will remember the Oklahoma City Bombing in April 1995, and as it is approaching the 30th anniversary, the conference will be hosted in Oklahoma and focus on **'Learning Lessons from the Past and Considerations for the Future'** for terrorism research.

Proposals for paper presentations, panels and/or roundtables will be considered for inclusion in the program if they are received by May 10th, 2024. We will notify everyone on May 17th, 2024 if their paper/panel/roundtable has been accepted.

Types of Proposals

Paper

Research presentations based on research in any area of terrorism studies. Can be single or multi-authored

Panel

Expert panel focused on a specific topic allowing for multiple research perspectives and insights to be considered

Roundtable

Deep dive in to particular terrorism research issues with experts and allowing for diversity of thought

Key Themes

- How do we learn lessons from the past, and how can they shape future research, evidence and insights?
- How do we build meaningful and sustainable relationships between the research, policy and practice communities?
- How do we maximise impact from the research that is undertaken?
- How do we enhance innovation in terrorism research and harness expertise in other disciplines?
- How do we achieve this while continuing to address contemporary terrorism-related issues?

These questions are not exhaustive, and they cannot be answered by any one single topic. Therefore, we welcome proposals that cover any topic related to terrorism studies.

All paper presentations, panels, and roundtables submissions should be submitted by the **10th May 2024**
